

Plan 11

May 1 – May 8

- Read Chapter 14 in the textbook
- Finish your work on the assignment.
Your solution of the assignment, final report and source code, should be handed in to onlineeksamen.ruc.dk no later than 23:59 on Thursday May 8.
Attach the source code and data files such that compilation and execution are easy. Include instructions on how to reproduce your experimental results. Organize attachments in a zipped folder.
